

*Ryan "PAWS" ~ "Caught Being Good"*  
*October 2009*

*The Ryan School has started a school wide behavior incentive program. All staff members including teachers, assistants, lunch staff, custodians, just to name a few participate in the program. The students receive a ticket when they are "caught being good." The tickets are then turned in for weekly drawings. The consistency throughout the building has helped improve behavior and student moral.*
