

JANUARY/FEBRUARY BIRTHDAY LIST TEWKSBURY PUBLIC SCHOOLS

The birthday book club is a great way to celebrate your child's birthday by donating a book to your child's school's library. We are very grateful for your support of the library through your participation in this program. The book can be given to your child's teacher.

Listed below are some books we would especially like to have for the library. You may choose from this list, or choose a picture book that your child particularly loves. A bookplate with your child's name and birthday will be placed in the book

Please send in your selection with the form below.
